**BOA Annual Congress 2023**
**E-Poster Guidance**

Poster presentations will be showcased as E-Poster's this year. All posters will be uploaded to the BOA website for the duration of Congress and will remain accessible on the Congress 2022 page.

An **A0 Portrait PDF (841mm wide x 1189mm high)** of your poster must be submitted via the Oxford Abstract platform via this link
https://app.oxfordabstracts.com/stages/5265/submitter  no later than **Tuesday 5th September**.

When you log into the Oxford Abstract platform you need to go to your accepted abstract and select **Edit/Amend.** Once you are in your abstract the second question will ask you to upload your e-poster.

Once saved your poster will automatically be add to the poster gallery.

**\*\*YOU ARE NOT REQUIRED TO PRINT YOUR POSTER\*\***

All posters will then be uploaded to the BOA Website according to poster category, abstract number and then topic.

Judging for the 'Best Poster' prize will take place between 19th-21st September and the winning poster will be announced on the BOA website and social media.

**Please note:** Until your poster has been published on the BOA website, you are unable to state your poster presentation in any external documentation. It would be an issue of probity to declare a poster presentation on your CV if the poster is not made available for members to view for the duration of the BOA Virtual Congress.

If you have any queries please contact BOA Events at events@boa.ac.uk.
