

Gallagher medical malpractice insurance for orthopaedic surgeons

Insurance | Risk Management | Consulting

Gallagher's Medical Malpractice team arranges tailored insurance programmes for medical professionals practising in the UK. We offer a range of risk management and insurance services including access to an in-house medico-legal advisory service for medical professionals.

Key benefits

- Individual policy of contractual professional indemnity insurance
- Run-off cover of up to 25 years after leaving the profession
- Cover includes clinical negligence claims, General Medical Council and disciplinary investigations, inquests, contract disputes and crisis communications
- Specialist medical malpractice brokers
- Access to a 24-hour in-house medico-legal advisory service led by a lawyer having experience working with individuals and organisations in the medical sector
- Policy meets minimum limit of indemnity requirements in the independent sector.

One team approach

Our one team approach brings together insurance broking and medico-legal specialists to enhance understanding and ensure that insurance and risk management strategies can be as efficient and cost-effective as possible.

Insurance and risk management for medical organisations

We can also arrange medical malpractice insurance for a wide range of private and NHS services including hospitals, medical universities, out-of-hours services, urgent care, walk-in clinics, mental health units and specialist treatment units, including fertility clinics and medical personnel agencies. Please get in touch if you would like to discuss the specific needs of your organisation.
