SECTOR DEFINING INSTRUCTIONAL CONTENT

- Operative techniques demonstrated with a level of detail unparalleled by any other platform or publication;
- High resolution professional digital photographs from actual procedures, step by step, with text written by experienced Surgeons;
- New techniques publishing twice a month;
- Add your own notes to the techniques.
- The 3D digital anatomy module lets you explore and download the cross-sectional anatomy

Extra-articular distal femoral resection and custom endoprosthesis replacement (Juvenile Tumour System, Stanmore) for osteosarcoma

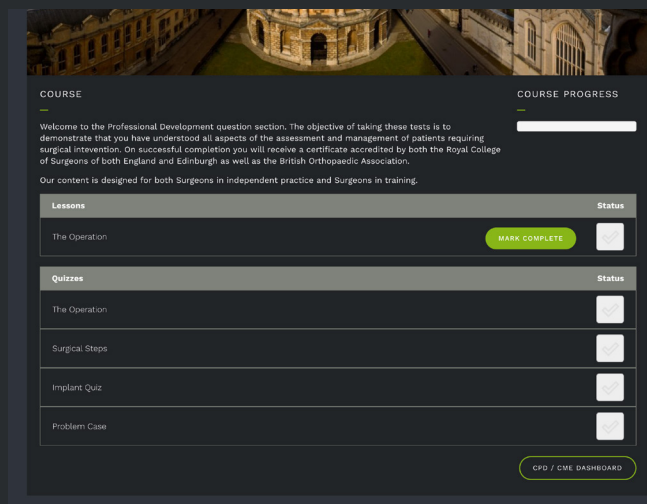

OVERVIEW INDICATIONS SET UP OPERATION POST OPERATIVE PROTOCOL IMPLANTS RESULTS CPD/CME

Learn the Extra-articular distal femoral resection and custom endoprosthesis replacement (Juvenile Tumour System, Stanmore) for osteosarcoma surgical technique with step by step instructions on OrthOracle. Our e-learning platform contains high resolution images and a certified CME of the Extra-articular distal femoral resection and custom endoprosthesis replacement (Juvenile Tumour System, Stanmore) for osteosarcoma surgical procedure. Osteosarcomas are the most common primary malignant bone tumour of children and young adults. These aggressive mesenchymal tumours most commonly arise in the metaphyseal regions of the distal and proximal femur, proximal tibia, proximal humerus and pelvis.

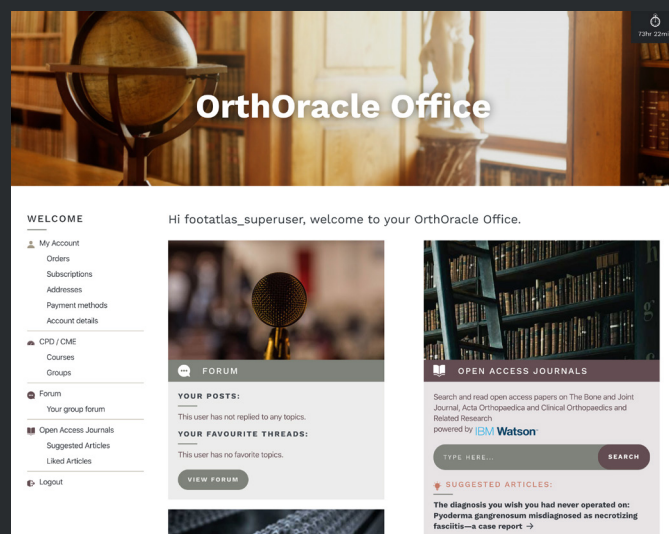

UNIQUE ORTHOPAEDIC LEARNING MANAGEMENT SYSTEM

- Sit courses on the operative techniques demonstrated;
- Questions on every aspect of the decision making and operating;
- Set up your own Leader boards for local groups and progress monitoring for training programs;
- Platform generates CPD/CME certificates accredited by The Royal Colleges of Surgeons of England, Edinburgh and Ireland which have European equivalency

DEDICATED PROFESSIONAL DASHBOARD

- Access the power of IBM Watson Discovery to search & deliver open access full text Orthopaedic journal articles;
- Set up closed discussion groups with your own nominated members;
- Catch up with the latest Orthopaedic news;
- Export your CPD portfolio & own operative technique notes.
