Who are Howden?

Howden Insurance Brokers is the world's largest independent insurance broker. Howden's Medical Indemnity practice brings you a dedicated team of insurance specialists who have supported surgeons, doctors and specialist consultants for over 25 years.

At Howden we work with you to ensure that your policy is tailored and based on your own individual background, circumstances and criteria. As an independent insurance broker we are free to choose from a wide range of providers to find you suitable cover with competitive premiums.

Howden Medical Indemnity Insurance

All Howden policies are contract certain and insurance backed, removing the risks that come from discretionary cover that many may hold via Mutual Defence Organisations (MDO's). Howden clients also have access to a 24/7 medico-legal helpline and cover for regulatory issues and hearings.

What you will receive from a Howden Insurance policy:

- ✔ Competitive premiums
- ✔ Contract certain insurance policies
- ✔ 12 month Extended Reporting Period (ERP) for career breaks and 21 year ERP on death or retirement
- ✔ Access to a 24/7 medico-legal helpline
- ✔ Unlimited retroactive cover – a Howden policy will cover you even if you have previously held insurance with an MDO
- ✔ A friendly and experienced team who can guide you through the process and answer any questions you may have.
