Joining Ramsay Health Care

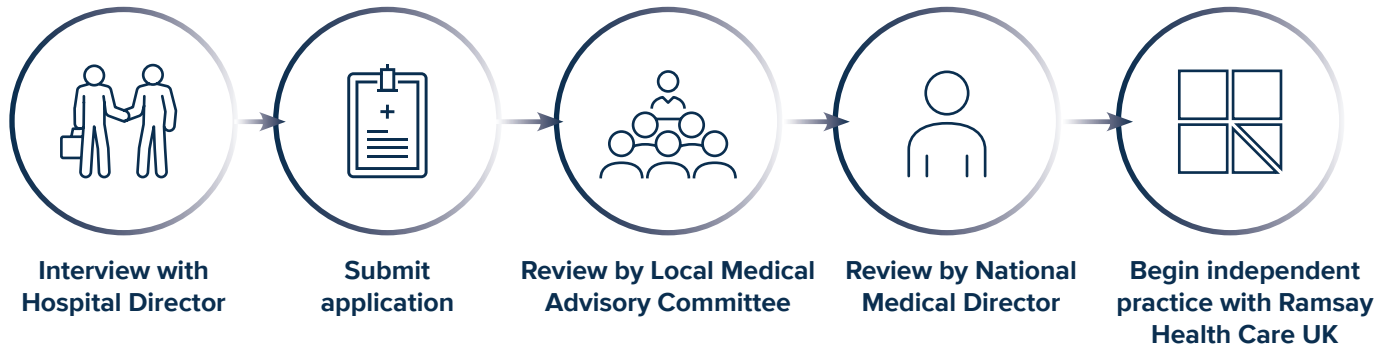

Ramsay offers two models of practice for Consultants to work with us.

Employed Model: Attractive package for Consultants looking to join the Independent Sector with a protected salary.

Practising Privileges: Flexible engagement model to suit the individual, tailored to accommodate your professional and private life.

All clinicians must be able to demonstrate the required level of experience and competence to work in our facilities and must be registered on the specialist GMC register as a Consultant. If you are looking to set up your independent practice with Ramsay, or are considering a full time role in the independent sector, Ramsay is here to support you through this process.

Steps to working *with Ramsay*

Our Consultant *Pledge*

Ramsay is pleased to be able to provide our Consultants with assurance of working with a quality healthcare provider. We recognise there are a number of obligations placed on Consultants if they choose to work in the Independent Sector; should you choose to work with Ramsay, in addition we offer.

- A national programme of engagement events and meetings
- Comprehensive clinical and non-clinical training schedule with associated CPD points
- Regular engagement and communication from the Executive Board

“My experience working with Ramsay Health Care has been outstanding. The hospitals teams provide me with assurance of high standards, both in competence and professionalism. Ramsay staff enjoy what they do, follow the ‘Ramsay Way’ to deliver healthcare as it should be. Patient pathways are well managed, from the point of referral through to discharge, making my patients’ experience exceptional. Personally, tailoring my practice around my NHS commitments is a real benefit, in the knowledge there is opportunity to expand and develop.”
