

To celebrate his remarkable 10-year journey following a successful Furlong Evolution® hip replacement, Michael laced up his running shoes and embraced the road with an invigorating run.

Over the past decade, Michael has not just endured but thrived, logging these extraordinary achievements.

23,000 Miles Run

193.5 Miles Run Every Month

15:58 5km PB

Beyond the miles, Michael plays tennis, swims, cycles, snowboards, dances, wakeboards and lives a life of unstoppable motion.

Could Furlong Evolution® help your patients achieve the extraordinary?

Furlong Evolution[®]
