Mentorship

Personalised Mentorship & Courses Delivered by Dr Rishi Dhir

Let's Talk Dr | In-Person, Live Online & Hybrid Courses ✓

✓ FRCS Blitz Course **MOST POPULAR**

A live hybrid course, run three times a year. Rated as the "perfect finishing course for part 2" it covers all the VIVA and clinical questions with model answers, live grilling, a mentorship group and forum with personalised coaching and voice notes from Dr Rishi. Pass rates are unrivalled at over 95%.

✓ The ST3 Interview Course

This 2 part comprehensive and revolutionary course consists of six months training covering all aspects of the interview: clinical scenarios, portfolio, prioritisation and communication followed by a 3 day blitz course with techniques, interview practice and personalised mentoring, with the highest success rates of any ST3 interview course.

✓ Mock VIVA & Clinical Course

Delivered live both online and face to face, this offers you a perfect mock to replicate the real exam with fantastic dynamic faculty, 1:1 ratio of student: examiner and unparalleled feedback giving you the best possible preparation for the big day.

✓ Basic Science in Practice Course

This two-day course delivered by Dr Rishi demystifies basic science and teaches it exactly how it is examined linking it to clinical scenarios. so that you can retain this knowledge long term and use it practically. Also includes access to the basic science on demand videos.

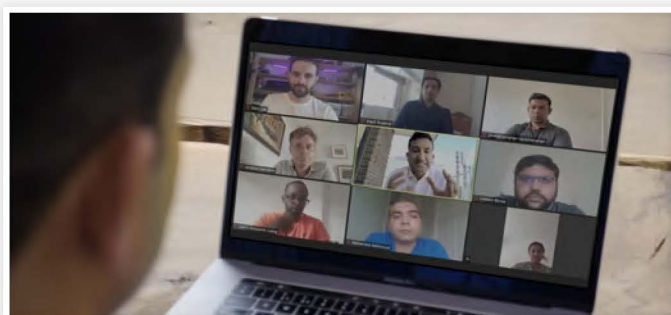

Let's Talk Dr | On-Demand Courses ✓

✓ The Syllabus Course **MOST POPULAR**

A comprehensive pre-recorded lecture-based course covering the KNOWLEDGE component of parts 1 and 2 of the exam, delivered by Dr Rishi and numerous international educators. This one-stop shop also gives you access to seminal papers, original MCQ tests and end of course exam.

✓ The On Demand Video Series

These fantastic bite-sized videos, covering basic science, hands and paed, trauma and adult pathology not only give you the knowledge but how to articulate every topic in an easily digestible way with fantastic feedback giving you all the buzz words for the exam.

✓ FRCS Tips & Tricks Course

Dr Rishi is known as the king of technique and this is an area that a number of candidates struggle with but so vital as part 2 is 80% articulation and application. This pre-recorded course will teach you these techniques, break down myths and help you master the exam.

Let's Talk Dr | Unrivalled Pass Rates of Over 95% ✓

Anand Patel
Orthopaedic Fellow

"Dr Rishi delivers a unique brand of teaching with clear, clean, direct answers - making the whole exam considerably easier and less stressful. I'd highly recommended his courses to anyone taking the exam!"

Toby Baring
Orthopaedic Consultant

"This is a brilliant course. Dr Rishi does a fantastic job of teaching you broad principles with a good structure and how to apply pre existing knowledge. He's an excellent teacher and I'd highly recommend him!"

Oliver Adebayo
Orthopaedic Registrar &
Previous BOTA President

"The course is amazing... Rishi is a fantastic teacher... he's able to break things down in a way that you can understand, but more importantly in a structured fashion that you can use for the exam."

Al Khoriatu
Orthopaedic Consultant

I found Rishi's course incredibly helpful... Clear instructions on where to answer controversial topics in the exam as well as providing help outside of the setting of the course too...
