Medbelle OS

Medbelle OS

Our powerful Practice Management system is built in collaboration with clinicians and medical secretaries.

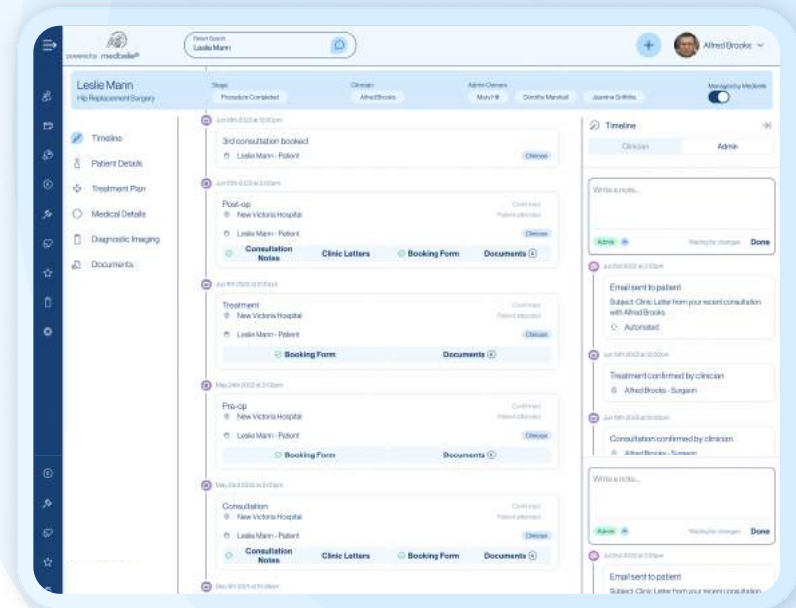

We tailor Medbelle OS to integrate with your clinic.

- ✓ Elevate your practice
- ✓ Streamline your communication
- ✓ Track outcomes

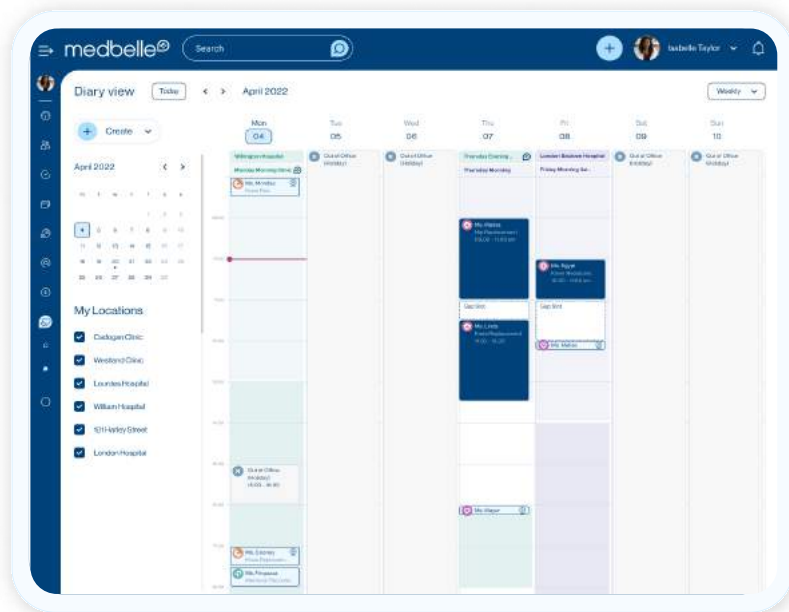

View outcomes, imaging, and clinic letters in one place

Our Smart Portal tracks all your patient outcomes and stats, allows you to view diagnostic imaging, streamline document management, and includes voice-to-text dictated clinic letters

Streamlined diary management

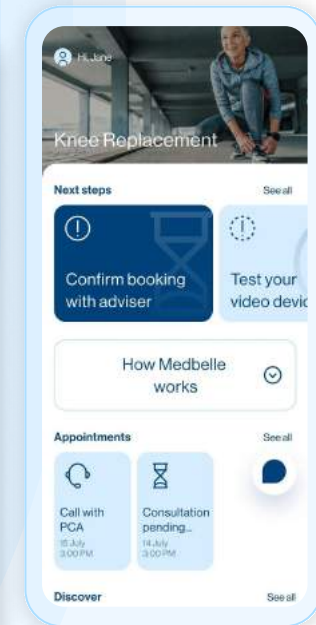

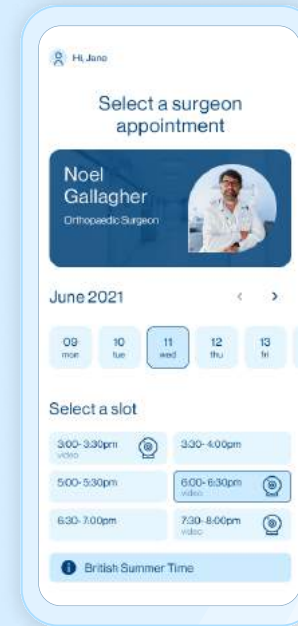

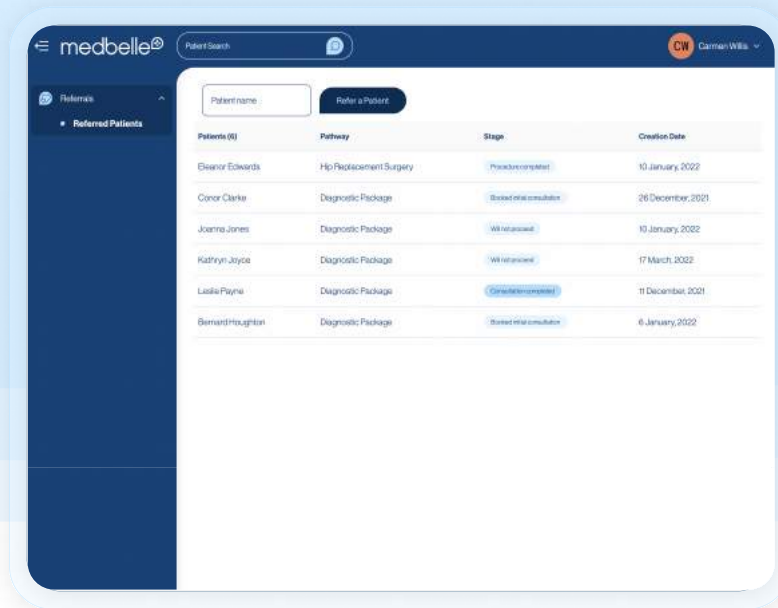

A clear and simple format with automatic reminders. Built-in support to host video consultations

Patient Portal

Each patient gains access to their own personal portal, to view treatment information, see upcoming appointments, and more

Compile and track referrals seamlessly

Invite your referrers to their own Portal to send referrals to you in one simple form. They can stay on top of what is going on through the patient journey
